CERTIFIED: This report is certified to contain information obtained from the U.S. Internal Revenue Service on the Taxpayer's TIN (Taxpayer Identification Number) and Taxpayer name shown above. The Contents of this report are confidential, and are not to be disclosed except as provided under public law 91-508 the Fair Credit Reporting Act.

TIN STATUS WAS CHECKED FOR THE FOLLOWING YEARS: 2003, 2004

Status of Taxpayer Identification Number ("TIN")	
X	Social Security No. – TIN is a SSN that has been validated through IRS and SSA as belonging to the Taxpayer.
	ITIN – TIN is an ITIN that has been validated through IRS as belonging to Taxpayer - indicates Non-Citizen status.
	NOT VERIFIED – SSA and/or IRS cannot confirm the taxpayer's identity.

Comments:

END OF REPORT...

If this report provides a "NOT VERIFIED" status, you may wish to do the following:

- Ask to see the individual's official documentation to assure that the SSN or ITIN were correctly shown on your request form.
 - If an error was made on the request form, consider resubmitting corrected information.
- If the official documentation and your request form information match, consider asking the individual to go to the nearest Social Security Administration or Internal Revenue Service Field Office to determine the nature of the problem.
- **If the SSA's or IRS's records are wrong, only the number-holder can request that the record be corrected.**
