

Advantage Credit, Inc of Colorado and the National Credit Reporting Association have partnered with NXG Strategies, LLC., the national authority on Red Flag compliance, to present a comprehensive Red Flag webinar to assist you in meeting the November 1 deadline for FACTA, Sections 114 and 315, also known as the Red Flag Rules.

This 90-minute workshop is designed to provide complete understanding of the legislation's requirements, plus all of the templates and guidance necessary to put a comprehensive, low-cost plan into place by November 1.

“Bridge to Red Flag Compliance for Mortgage Companies” includes:

- **Red Flag – Part 1** – Introduction to Red Flag - Concise explanation of the FACTA Section 114 requirements, and how to create an action plan for Red Flag compliance
- **Red Flag – Part 2** – Completing Your Written Plan - Complete review of all steps of NXG's Gap Analysis, Risk Assessment and Red Flag Written Plan templates
- **Workshop Materials** - Copy of the Presentation
- **Red Flag Templates** - Risk Assessment, Gap Analysis Checklist, and Red Flag Written Plan *(complete with sample answers)*
- **IDSafeResponse** – One-year Subscription - 48-Hour Breach Response Implementation
- **Quarterly Newsletter** - Up to Date Information to Keep Your Red Flag Plan in Compliance

By participating in this workshop, you'll receive templates that will provide structure for your entire Red Flag compliance process, from helping you analyze your organization's current situation and determining your "covered accounts," to completing and implementing your organization's Red Flag Written Plan.

Plus, your one-year subscription to IDSafeResponse will give you peace of mind. If your organization experiences an information security breach, whether it's malicious or accidental, you'll have access to breach response and mitigation professionals who will develop a complete response plan, tailored to your situation, within 48 hours.

As our mortgage company client, we are pleased to invite you to attend this online workshop for \$295 (a \$495 value; **\$200 discount is courtesy Advantage Credit, Inc of Colorado**)

To view the schedule of upcoming webinars and to register:

- Visit <http://nxgstrategies.webex.com>
- Select a "Red Flag – NCRA – Mortgage" session, and click Register
- Complete the required registration

We are extremely excited about this Red Flag compliance webinar opportunity, and look forward to your participation in this session.
